INTRODUCTION

Merkel Independent School District Mission Statement

The mission of the Merkel Independent School District is to provide, to the full extent of their individual abilities, all students with the skills of logical, independent, and creative thinking, and effective communication. Further, as a result of instruction in our schools, students will acquire a knowledge and appreciation of our citizenship responsibilities, of our economic responsibilities, and of our American heritage. In our schools, learning will occur in an environment of moral values and character, and these characteristics will be communicated to all students. The accomplishment of this mission will be characterized by equity, efficiency, and accountability.

Merkel Intermediate School Mission Statement

Merkel Intermediate School believes that every student has the ability to learn and succeed. We will endeavor to provide a sound foundation of basic skills, and we will work to enrich each student's mind so he/she will be able to think and communicate logically, independently, and creatively. We will strive to encourage our students to never settle for less than their best. Education opportunities and resources in Merkel Intermediate School shall be distributed with equity for all students and we will maintain accountability with demonstrated results for continuous improvement of our school system.

Merkel Intermediate School Philosophy

The 2008-2009 Merkel Intermediate School Campus Plan has been developed with the overall objective of fulfilling the mission of the Merkel Independent School District. Its development has been guided by a commitment to implementing the effective school correlates, achieving significant growth in student academic achievement, and effective staff development. While concentrating on the specific needs of our campus and district, we have taken care to assure that our goals and objectives support the goals and objectives of the State Board of Education. These goals and objectives are communicated to all stakeholders.

The site-based decision making team is a committee of teachers, administrators, parents, and community members. The team identified needs, set timely goals, and designed activities to meet those goals. The district has committed to providing all the necessary resources that the persons responsible will need to meet the objectives and carry out the developed strategies. Each staff member is charged with the implementation, monitoring, and evaluation of the effectiveness of this plan. As in any improvement plan, the process is ongoing.

Merkel Intermediate School is an improving school. We are committed to excellence. This plan is an organized attempt to move us in that direction.

Merkel Intermediate School Comprehensive Needs Assessment

The Merkel Intermediate Site-Based Committee identified strengths and weaknesses based on data from multiple sources to develop the campus improvement plan for the 2008-2009 school year. Data sources include TAKS scores, attendance records, discipline records, parent sign-in sheets for campus activities, retention rates, and data from special programs such as Adequate Yearly Progress and "Highly Qualified" faculty report. The trends and gaps present in this data determined the priorities for improvement to be targeted this school year.

Merkel Intermediate School is a Title I School wide campus with 49% low-income students. There are 102 students in fourth and fifth grades. There are 15 staff members on the campus who recognize and accept the responsibility for the growth and improvement of our students on the Texas Assessment of Knowledge and Skills (TAKS).

In summary of the above data, Merkel Intermediate 4th grade had an 85% passing rate in reading, a 93% passing rate in math, and a 95% passing rate in writing. In 5th grade, 98% passed the reading test, 100% passed the math, and 93% of the students passed the science test. The science scores have improved by 6%. Also, the committee understands that the state standards for passing are increasing each school year. The goals and objectives that have been chosen by this team will help us as we strive to meet those increasing standards.

We use AEIS-IT program to determine the needs of our special population groups. Based on the disaggregated data from 2007-2008 TAKS we will continue to provide accelerated classes for those students who are unsuccessful in mastering basic reading and math skills.

Parents are informed of their child's progress on standardized tests by mailing copies of student's individual score report to parents including an explanation of results in both English and Spanish.

In the area of assessment, Merkel Intermediate School uses additional tests results for screening, placement, dismissal in special programs and accelerated classes. Our teachers are part of the decision making process in assessment instruments that are administered outside of the state mandated assessment. Areas of assessment outside the state-mandated assessment are: STAR Assessment, an assessment for Accelerated Reader level placement, G/T assessments, and Bilingual/ESL assessment.

When moving from elementary to intermediate, the 3rd grade students are invited over for a tour of the school. They are introduced to each faculty member. On the last day of school, 3rd grade students are told who their home-room teacher will be for the following year.

Corrective Strategies: Increase instruction time for students who qualify by offering extended day and after school tutorials. The following strategies are also offered to address areas of concern:

-  Individualized instruction for students at their appropriate instruction level
-  After school and in school tutorials
-  Bilingual/ESL program for students who qualify
-  Home visits and parent contacts by phone-phone log
-  Low student-teacher ratio
-  Counseling services provided by a full time counselor on staff
-  Gifted and Talented Program for students who qualify
-  Additional training for teachers and all aides (Aides attend all staff development programs which are decided on by input from teachers and aides)
-  Special Education Program (Inclusion) for students who qualify
-  Classroom modifications for "At Risk" students–tutorials, extended day instruction
-  UIL Academic competition
-  Computer Labs for both 4th & 5th grade students
-  Read Right a reading intervention program

In the area of qualified staff, MIS strives to employ highly qualified instructional staff and teaching assistants who are well trained, who are enthusiastic about offering quality programming, and who enjoy motivating children through creative presentation of the subject matter. All teachers are highly qualified or are within required guidelines in the areas that they teach, and all paraprofessionals are qualified, or are working toward new guidelines as stated in NCLB. Merkel Intermediate School administration works diligently in recruitment and retention efforts in the areas of highly qualified personnel by visiting job fairs, universities, and on-line postings. MIS offers professional development for teachers and aides in areas such as technology application, conflict resolution, site-based decision-making, character education, health issues, and confidentiality training. We continue staff development training in meeting the needs of low performing students, curriculum alignment, TEKS organization, Special Education, modification techniques for instructing Dyslexic, 504, At Risk, LEP, and Special Education students, and integration strategies that can be used across the curriculum. Teachers and aides provide input in determining the staff development needed. Professional development is offered to provide necessary requirements to meet the highly qualified standards and to provide assistance in the TExES testing. An ongoing review is done to ensure all teachers are highly qualified under NCLB. Teachers also attend staff development at Region XIV Education Service Center in Abilene.

When students have difficulty in class, we follow the RTI Pre-Referral Process, which gives a “heads-up” warning for that child. Following the RTI method, information is gathered about that child and services are rendered in a timely manner, depending upon the needs of the child. After information is gathered, our Intervention team or Pre-Referral team meets to discuss collected data and to determine the best plan of action. If teachers have tried modifications over a three week period and see no results the documentation is collected and the decision making process begins. This process helps us determine our Section 504 and Special Education referrals. Our philosophy is that all students learn best in the regular education environment, assisted by an accelerated education program. The implementation of Inclusion continues to best meet the needs of our special ed students. We continue to employ well-trained staff and support staff for this purpose.

In the area of parental involvement, every parent of a student at Merkel Intermediate School is invited to participate in our Parents, Administrators, Teachers and Students Organization and is welcome to attend all meetings. Our parents and students strongly support the athletics program at Merkel High School. Students are invited to participate in our “Little Badgers” program during the football season. Parents also attend the “Meet the Teacher” night at Merkel Intermediate School. Parents are asked to pick up report cards at the end of the first six-weeks grading period for a conference with each of their child’s teachers. Parents are invited to an academic awards assembly at the end of the school year. At this time parents and volunteers are recognized for their involvement throughout the year. Parents are encouraged to participate in the school compact that provides information about school programs and student learning. The compact and policy were designed in collaboration with parental input. Communication is the key in parental involvement. Parents are notified about any concerns regarding their student in the areas of testing, discipline, health, grades, and/or participation.

In the area of quality of life patterns, MIS focuses on communicating to students the importance of responsibility, respect, caring, fairness, trustworthiness, citizenship, and self-esteem. Programs are provided for At-Risk students such as accelerated instruction, counseling, parent contacts, and supplying information regarding community resources and services. We use 6 Pillars of Character as an integral part of our character education program. Our teachers also instruct students in problem solving and decision-making. In the area of safe and violence-free environment, MIS maintains a “no tolerance” philosophy regarding violence. We want our students to feel safe when attending classes and extra-curricular activities.

Special Programs and Special population included in the Title I Schoolwide Program at Merkel Intermediate School

Gifted and Talented Education

National Lunch Program

-  **Local Tax Revenue**
-  **Special Education**
-  **Economically Disadvantaged**
-  **E-Rate Funds**
-  **School Breakfast**
-  **Bilingual Education/English as a Second Language**
-  **State Compensatory Education**
-  **At-Risk Students**
-  **Optional Extended Day Program**

In the area of identifying needs, MIS utilizes surveys to identify needs and concerns of students and parents and to determine corrective strategies. Our Site-Based Decision-Making Team collaboratively plan and serve to meet the needs of our students, parents, and community members. This plan addresses the Ten Components of a Title I Schoolwide Program (SWC) –

-  **(1) Comprehensive Needs Assessment**
-  **(2) Reform Strategies (Scientificallly Researched Based)**
-  **(3) Instruction by Highly Qualified Teachers**
-  **(4) High Quality and Ongoing Professional Development**
-  **(5) Strategies to Attract High-Quality, Highly-Qualified Teachers**
-  **(6) Parental Involvement Strategies**
-  **(7) Transition Activities**
-  **(8) Including Teachers in Decisions on Assessments**
-  **(9) Assisting Students Experiencing Difficulties Mastering the Proficient and Advanced Levels of Achievement Standards**
-  **(10) Coordination and integration of Federal, State, and Local Services and Programs**

GOALS AND OBJECTIVES

Merkel Independent School District Goals and Objectives

- 1. All MISD students will meet or exceed state performance standards.**
- 2. MISD will provide a balanced and appropriate curriculum to all students.**
- 3. MISD will recruit, develop and retain highly qualified and effective personnel.**
- 4. MISD will enlist the cooperation of school personnel and members of the community to ensure that students achieve their highest learning potential within a safe learning environment.**
- 5. MISD will achieve and maintain a high level of technology and will ensure technical expertise for students and staff.**

Merkel Intermediate School Goals and Objectives

- 1. The percentage of students passing both the reading and math sections of the TAKS test will be maintained at or higher than the state standard.**
- 2. One hundred percent of special population groups (Special Education, Economically Disadvantaged, At-Risk, Gifted and Talented, English as a Second Language) will meet or exceed the state standard on TAKS.**
- 3. Merkel Intermediate students will continue to meet or exceed the state standard in attendance.**
- 4. Parental and community involvement will be enhanced to help all students achieve high standards.**
- 5. All students will be provided a balanced curriculum with academic activities that enhance learning.**
- 6. Recruit and retain highly qualified personnel and provide quality staff development to those staff members.**
- 7. Merkel Intermediate students will have a safe and secure environment in which to learn.**
- 8. Merkel Intermediate staff and students will continue to utilize and make progress in the latest technology.**

**Merkel Independent School District
Merkel Intermediate Campus Improvement Plan
2008-2009**

District Goal 1: All MISD students will meet or exceed state performance standards.

MIS Measurable Campus Goal 1: Students will demonstrate 90% or above mastery on the AEIS indicators by 2009.

The percentage of students passing both the reading and math sections of the TAKS test will be maintained at or higher than the state standard.

Summative Evaluation: TAKS RESULTS/AEIS REPORT

Activities/ Strategies	Staff Responsible	Timeline Start/End	Budget Resources *see appendix E	Formative Evaluation Methods
2007 TAKS results will be analyzed to pinpoint strengths and weaknesses SWC 1,5	Dee Dee Wright All Staff	October 2008	TAKS Summaries SDAA and RPTE results	Data will be included in CIP
TAKS practice materials will be updated and purchased to align with TEKS SWC 1	Traci Slaughter	September 2008	Local \$600	TAKS benchmark
Copies of TEKS will be in each classroom SWC 1,3,4	Dee Dee Wright Krystal Woolard	August 2008	None	Lesson Plans
At-risk students will be identified and reviewed with teachers SWC 2,8,9,10	Dee Dee Wright Traci Slaughter	August thru May	TAKS results, retention lists, SDAA and RPTE	At-Risk lists
Continue use of RTI, pre-referral committees to monitor students referred for testing; Implementing classroom interventions SWC 1,5,8	Dee Dee Wright Krystal Woolard Classroom teachers	August thru May	None	Documentation from RTI pre-referral intervention meetings

Continue to serve struggling readers thru Read Right SWC 2,3,9,10	Dee Dee Wright, Lea Anne Palmer Pam Welborn	August thru May	Title I \$16,713.54 FTE~ .95	Sign-in Sheets; TPRI results, TAKS results, Dyslexia testing
Continue use of Accelerated Reading Program to improve reading comprehension SWC 2,3,10	Classroom teachers	August thru May	\$1500.00 local funds for AR tests and prizes	Purchase order receipts; TPRI results, TAKS results
Continue Extended Day instruction for math and reading SWC 2,3,10	Dee Dee Wright	February, March, April 2009	ARI/AMI Monies \$5,759.33	Sign-in Sheets; TPRI results, TAKS results, benchmark results
Continue weekly tutorials for struggling students SWC 2,3,9	Classroom teachers	August thru May	None	Sign-in Sheets; TPRI results, TAKS results, benchmark results, STAR testing
U.I.L. Academic Meet to enhance the learning of GT students (as well as other strong learners) SWC 3	Kaye Lynne Dearing Classroom teachers	December 9, 2007	\$600 supplies	Lists of students participating in U.I.L. meet
Benchmark TAKS testing twice a year SWC 2,8	Dee Dee Wright Traci Slaughter Classroom teachers	November, January	None	Attendance Reports AEIS-It reports

Promethean Board and LCD Projectors SWC 2,3,9	Classroom teachers	August-May	District funds	Classroom rosters

Assessment and Appendices

Title I funds at Merkel Elementary and Intermediate Schools provide...

- **Professional development**
- **Parent training**
- **Supplemental books and materials**
- **Paraprofessionals**
- **Computer software**
- **Homeless services**
- **Classroom supplies**
- **Library books**
- **Contracts and salaries for Title I personnel**

Appendix B

Mission Statement

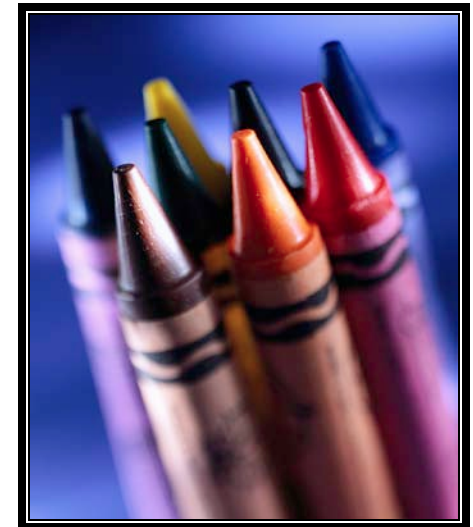

The mission of the Merkel Independent School District is to provide to all students, to the full extent of their individual abilities, the skills of logical, independent, and creative thinking, and effective communication. Further, as a result of instruction in our schools, students will require a knowledge and appreciation of our citizenship responsibilities, of our economic responsibilities, and of our American heritage. In our schools, learning will occur in an environment of moral values and character, and these characteristics will be communicated to all students. The accomplishment of this mission will be characterized by equity, efficiency, and accountability.

School and Classroom Setting

Merkel Elementary and Intermediate Schools are dedicated to meeting the needs of all students from our pre-kindergarten program through fifth grade. A strong emphasis is placed on improving and mastering reading skills through the use of the Accelerated Reader program. Merkel Elementary and Intermediate Schools are well equipped with computer technology and students are given opportunities to improve those skills. Special needs students are assisted by special education instructors in both inclusive and content mastery classroom settings. All Merkel Elementary and Intermediate School students have opportunities for enrichment through our science, music, physical education, and gifted and talented programs. Also students are being served through our Read Right Program.

TITLE I PROGRAM

Title I is a federal assistance program designed to enhance opportunities for students to meet and maintain grade level skills (TEKS-Texas Essential Knowledge and Skills). The No Child Left Behind Act (Public Law 107-110) requires that:

- school districts have written policy regarding parental involvement;
- parents be involved in the design, operation, and evaluation of the Title 1 programs;
- parents be consulted about home/school activities and be trained to help their children and;
- whenever possible, activities should be presented in the language spoken by the majority of Title 1 parents.

At Merkel Elementary and Intermediate Schools, Title I funding is used to promote educational programs that assist students to:

- succeed in the regular classroom;
- attain grade level proficiency;
- improve their achievement in basic and more advanced skills.

Title I funds also help support our school district in providing staff and educational services. Parents, teachers, and administrators have worked together to initiate our Title 1 program. This program is an important part of our curriculum and meets the needs of ALL students at Merkel Elementary and Intermediate Schools.

For more information about **NO CHILD LEFT BEHIND**, visit the website at www.ed.gov

OPPORTUNITY FOR PARENTS

- Open house at campuses
- Attendance at Title I meetings
- Parent/teacher conferences
- Volunteer at campuses
- Serve on Campus/District Committees
- Parent surveys
- Mother/Father Breakfasts
- Senior Citizen Luncheon/Health Fair
- Awards/Recognition Assemblies
- Football Pep Rallies
- Little Badgers football nights
- Parent/Teacher Organization
- Book Fair
- Veteran's Day Ceremony
- Participate in Texas Public School and Teacher Appreciation Week

SUPPORT PROGRAMS AT MERKEL ELEMENTARY AND INTERMEDIATE SCHOOLS

Merkel Elementary and Intermediate Schools provide a variety of support programs to promote each student's achievement to reach grade level or above. These programs include Accelerated Reader, Accelerated Math instruction, Elementary Science Labs, UIL competition, Extended Day Tutorials, and Reading Improvement classes. All staff members at our campuses support these programs across the curriculum.

The challenge is to provide the optimum strategies to allow each student to be successful. Our staff constantly works with and strengthens our programs with each student's success as the end result. TAKS scores are analyzed each year and used to improve teaching strategies for each student. Merkel Elementary and Intermediate Schools also seek to provide the best inclusive or resource instructional atmosphere to see that each individual student's needs are met.

Appendix C

LONGITUDINAL STUDY OF TAKS RESULTS

Merkel Intermediate	2002	2003	2004	2005	2006	2007	2008
4th Grade TAKS Reading	98	85	91	58	93	72	85

Appendix D

This questionnaire is intended to address the McKinney-Vento Homeless Education Assistance Improvements Act 42 U.S.C. 11435. Merkel ISD is required to report this information annually beginning this school year. Presenting a false record or falsifying records is an offense under Section 37.10, penal code, and enrollment of the child under false documents subjects the person to liability for tuition or other costs. TEC Sec. 25.002(3) (d). This information will be treated with confidentiality.

Please complete the questionnaire and return it to your campus secretary by Monday, August 23, 2007.

1. Is your current address a temporary living arrangement? _____ Yes _____ No
2. Is this temporary living arrangement due to loss of housing or economic hardship?
_____ Yes _____ No

If you answered YES to the above questions, please complete the remainder of this form.
If you answered NO to the above questions, you may stop here.

Where is the student presently living? (Check one box.)

- In a motel
- In a shelter
- With more than one family in a house or apartment
- Moving from place to place
- In a place not designed for ordinary sleeping accommodations, such as a car, park, or campsite

School _____

Name of Student _____ Male Female
Last First Middle

Birth Date _____ Age: _____ Social Security # _____

Name of Parent(s)/Legal Guardian(s) _____

Address _____ Zip _____ Phone _____

Signature of Parent/Legal Guardian _____ Date _____
